

THOMAS DANE GALLERY

Sam Phillips, “Our pick of this week’s art events: 6 – 12 February, RA Recommends,” *Royal Academy*, 6th February 2015

From Peruvian Huacos and Japanese netsuke to the portraits of Marlene Dumas.

John Gerrard: Farm

Thomas Dane Gallery, London, 7 February – 21 March

And I’m looking forward to visiting Thomas Dane this weekend to see a solo show by John Gerrard, an Irish artist who creates virtual worlds rendered in computer game-style graphics. He tends to choose remote industrial landscapes as subjects, and this shows includes simulations of the Oklahoma outhouses that store Google’s servers and a Nevadan solar power plant.

Installation image from Solar Reserve at Lincon Centre, New York, presented in association with the Public Art Fund.
