#### 2. Anthea Hamilton

Anthea Hamilton *The Squash*, install view Photo: © Tate (Seraphina Neville)

Imagine you're a squash – as in, a butternut squash. Now imagine what kind of art you would most like, based on your squashy-brained characteristics. For her 2018 Tate Britain Commission for the Duveen Galleries, Anthea Hamilton has created a squash-human hybrid, performed each day by an individual dressed in one of seven outfits inspired by various strains of curcubita (that's for you, 'Gardeners' World' fans).

TIME OUT SAYS ☆☆☆☆☆
